Telephone Maintenance

I am writing in response to your request for information, dated 9 January 2024. The information that you requested relates to a specific telephone maintenance contract and we do not hold this information. Audit Wales no longer has a telephone system as such and therefore there is no longer a maintenance contract. This is because Audit Wales is now meeting all its telephony needs via Microsoft Teams.

If you have any queries, or questions about my handling of your request, please do not hesitate to contact me.

Yours sincerely,

Information Officer
