

Travel costs of Auditor General for Wales and Assistant Auditors General 2011-2013

16 August 2013

Further to my email of 25 July 2013, I am now in a position to respond to your request for information set out in your email of 19 July 2013 which was for:

1. *Please provide a breakdown of UK travel claims/costs made by the Auditor General and three Assistant Auditor Generals during the financial years 2011-12 and 2012-13?*

Please include the form of transport used (ie. taxi, train, car, bus) along with the destinations.

2. *Do the above individuals receive cars as part of their roles and, if so, what models are supplied to them?*
3. *Where is the designated normal place of work for each of the individuals?*

(I've inserted numbering for ease of reference)

My responses to your requests are as follows:

1. Please see the attached documents.
2. Eligible staff are entitled to either a monthly lease car allowance, or a Transport Allowance. Gillian Body (Assistant Auditor General Performance Audit) is not in receipt of a lease car or a Transport Allowance. Anthony Barrett (Assistant Auditor General Financial Audit) receives a fixed monthly lease car allowance. He has opted to make an additional personal contribution to meet the cost of the lease car which is a BMW 3 Series Diesel Coupe 320d M Sport. Kevin Thomas (Assistant Auditor General Planning & Resources) receives a fixed monthly lease car allowance. He has opted to make an additional personal contribution to meet the cost of the lease car which is a BMW 5 Series Diesel Saloon 520d SE. The Auditor General does not receive a car, or a Transport Allowance, as part of his role.
3. We do not have recorded information that precisely meets the scope of your request, because we do not use the term "normal place of work" in the Wales Audit Office. We are therefore assuming that by "normal place of work" you are referring to "permanent place of work" which is essentially a tax concept, the definition of which can be found on the HMRC website: <http://www.hmrc.gov.uk/manuals/eimanual/EIM32065.htm>. Per the HMRC definition, Kevin Thomas and Anthony Barrett have permanent places of work in the WAO Ewloe Office and in the WAO Cardiff Office (Cathedral Road). Gillian Body's permanent place of work for tax purposes is the Cathedral Road Office. The Auditor General himself is not an employee, but his permanent place of work is Cathedral Road, Cardiff.

I have not applied any exemptions, however if you wish to complain about my handling of your request, please email or write to me.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Ian Phillips
